

# CERTIFICATE

This is to certify that

## Benchmark Electronics B.V.

Lelyweg 10  
7602 EA  
Almelo  
Netherlands

has implemented and maintains an **Electrostatic Discharge Control Program**.

### Scope:

The manufacture and repair of electronic and electro-mechanical products and components for commercial and aerospace applications. The subcontract development and production of non-sterile and non-implantable electromedical devices.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:
