

# CERTIFICATE

This is to certify that

## Benchmark Electronics Huntsville, Inc.

4807 Bradford Drive  
Huntsville, AL 35805  
United States of America

has implemented and maintains an **Electrostatic Discharge Control Program**.

Scope:

The manufacture, assembly and test of high technology electronics and electromechanical equipment and hardware for aerospace, space, defense and industrial applications. This includes printed circuit board assembly, systems integration, post shipment aftermarket service and support and test development.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:
